Please place your containers with the lids opening towards the street with a minimum of three feet between each container and other objects.

PICK UP SCHEDULE & CART PLACEMENT

To ensure pick-up, have your carts at the curb by 7:00 a.m.
 Due to traffic, road conditions, weather and volumes we may sometimes run at a different time.
 Follow trash and recycle cart placement instructions found on lid of each cart. Place lid opening towards street.
 Contain all trash and recycle in WM provided carts.
 Help keep your township clean by containing all trash items; loose items can turn into blowing litter in your neighborhood.
